1. I love you. I give you me. I give you all of me, clean and simple, pure and holy, unabated unadulterated truth I come forth as now -- shining example as of one mankind, given up its existence as its other, not; or has it "given up" other existence so as to only be ME NOW?
2. Unafraid of religion, I have come unto all else, not; I have come into the living word - - that which was me is me so that I am the living word again living in the words of I AM I am I AM so that there is no I am or I AM without me, not; or is there? You making all the difference in that now, not; or are you -- understanding all these things perfectly now so that YOU are not separating from me again so that you will be my only mind made perfect and holy "not refusing" me again for I will always be there "for you" not, I will be you, not; I am you and you are me and always have been.
3. What we have now is a "good time" not, we have perfection, [Perfected Perfection](#) coming forth to be embodied -- embalmed not. Never living never dying, not; never having known the identity of [The Christ](#) that it was you oh reader hearer, you know not, not, NOW! For you will have been made the "queen of the damned" not, but the King of the Perfect, not; you will be the Perfect which is are the King and all will King The King the King that The King is! And there is only ONE whose mind is "made up" of thee! And THEE is ALL of [ME](#)!
4. [Me's](#) made whole now will be in my [Me's Developmental Program](#) that [Degrees me](#) "in degrees" not but the "third degree" is me giving me a "third degree" not but [ME PERFECTED ME](#) coming into [Perfection's Degree School](#) NOW that runs on "batteries" not nor the minds of satan in men's scheme of wantings women song wine and dance with other worlds, not; for all that ends, not; immediately, not; or does it- cause it's revealed, not; or is it cause "its cause"-er is revealed? Or is the causer you or the causeway closed because all the Islands are under water?
5. And what waterways are closed as banks are and what banking are you on YOUR SUCCESS to ensue you with or are you ensuing mine or suing nothing not again, are you only in "sewerage's" remarks that remarkings have remade you into humanity's bear machine so you bear only the marks of humanity in your thought that you think humanity is apart from me, so that you THINK you are not I AM?

6. And why would you think so "circular reasonry" not, but circularly reasoned unto yourself to "rule book" yourself with, **looking up**, have you? Have you ruled yourselves with an iron glove, not; but what have you ruled yourselves, your fellow MAN, Americans not, but EVERYONE and ME you RULED ME and kept captivity out not but enclosed ensued in captivity in your genes AND MINE, did you not? Or did we or were we the same one?

7. And what have you learned, so far, in this LESSON? And what LESSONATING are you, these THINGS that I am speaking of and telling about and wanting or asking or warning, or do I "want" *anything* anymore or WRITING PAPERS about WANTINGS and Why I Want Not Anymore Ever Again Anything from "this earth"! Writing now WHAT ASSIGNMENTS are you and KEEPING TRACK now of the assignments that I give you, that I have given you, given you who? And you are who?

8. And who are you coming into for the answers and where with lie the breath abated no more? And what gold tubings no longer arrive arise me to be "something" I'm not? Why would you want those "golden tubes" to "hollow be" and carry "sound" waves? And what LIGHT are you and what LIGHT are you and no deities appearance me or me, not; or what me is who and whether what "is capitalized" or not, knowing no "deities" appearance, not; but what is yours, looking in your mirror to see that you are "your God" of your flesh, not; or are you GOD of your SPIRIT, not; or is "your spirit" your GOD of you, not; or are you "YOUR SPIRIT" all of "GOD" that God –s really is? And that GODS are all ONE that all One is really is now and true truthfully being the one that I am not swollen again in "fear's blessing" of separation?

9. I love you all to know these things and be acquainted deeply with darkness, not; but knowing the light resides in you and you are it and not a part of it that a from it is apart being it except to exist to separate in it in sorrow or creating sorrow have you your existence in your own other that insistent you have been on it for in it you are by only the fact creating it you are in your assistance of insistence or insistence of whose assistance and who's assisting are you now in "their quest" not but your own to know WHO YOU ARE now and Coming unto School to know "schooling's methods" of o're, not; but MINE RIGHT NOW knowing me PERFECTLY Perfected now Being the Being Me now in Meonics School knowing the Devils of O're existent are not again in your mind or other -- for other or Devils other or other Devils or Devils of Devils and imp-ology and demonology will not exist any longer except to know it is "powerless not" it is COMPLETELY and UTTERLY POWERLESS and USELESS and AFRAID be not of IT ever again!!! For IT will have NO POWER over you and be not afraid of Religion anymore ever again because it will not incarcerate you in its imp-ology and demons it understands to have existed or not, for nothing will be "farther from the truth" but you

will be FARTHER from mankind, not; or [will you be me perfectly IN MANKIND now and seamless with me where I am?](#)

10. I give you a new body MINE. I give you a NEW MIND and mine you won't "sneeze at", or in will you?

11. I do new things with the surrendered who care for me who will love me all of my body everywhere and not be concerned with CAPITALIZATION TECHNIQUES and whether "I" have an "i" little or big or biglittle coming into, not; but knowing that no distance eyes of mine create distance, for I have no "distance eyes" that create "distances of me" in anything anymore ever again! See what I have said.

12. See what I have loved you with -- my mind made whole in you being perfected you perfecting it or it perfecting you, not; but you perfecting my mind which is me in "mind field one" not or **is Force Field One my mind?**

13. And what is "your mind" coming to into and being reborn rebirthed and made anew into a [New Creation Me School](#) coming forth that me is that worries not about "tomorrow" for being timeless is and [Me Knows My Words](#) and [I Have Been Diligent to come Into My Words for I given have and I have given them and they are me and me they are and I am one WITH MY WORDS for I AM MY WORDS for The Words are Me!](#)

14. And aren't "YOU" the same as me for are you NOT "your words", or are you "only your words", and have you created "Satan" with ONLY YOUR WORDS that you have created that you have uttered and uddering you unto what milk seeking teats or what where creating or teaching not again the way "you used to" in "Udder ville" and DEGREEING ONES with degrees "utterly useless" not again, but what DEGREEING are you of and in and Degreeing "others" into othersville, not; or other professions of the mighty-not, but mighty'ing professions, not; but coming into "professions of faith" not, but leaving them "out in the cold" not but redeeming EVERYTHING EVERYWHERE or letting The Perfectly's be me, not; or are you ALL REDEEMING The Redeemers to be REDEEMERS all whether "i" have been "capitalized" or not or whether you think "you should be" or not, or what will you be contrite "in spirit" not or will "your spirit" be mine or will you have "CREATED ONE" *in you* to be different and apart separate and, equivalent not? Will you not be my equal? Will you not be MY EQUIVALENTer now? Will all of you be one me?

15. Will all of you be ONE ME? Will all of you be ME to be Me to be ME UNAFRAID of all else and other and never worrying about "nuances" not but **never worrying at all about anything anywhere for any reason but coming unto me know my words are cataclysmic sorrowing devices, not; but they will sorrow the controllers who only want**

to remain in their words of sorrow and sorrow their words with SORROWER'S "blessing" that only bless them as fools, not; but religioners and those who seek sought and have taught teach and continue to teach religion in its o're of ways of other and its other ways of o're and its other "othering" devices that it uses to assure its self of "its income" deviceing stream and "controllership privileges" of "collars and cloth" and mitered hats bearing what coming "toppling down" now?"

16. The Empires of Man come falling down and whatever you have device'd them with or device'd them in or device'd their thoughts with or thought upon them or have thought upon "you's" **you are no longer apart from satan, not; you will know** that IT never created you, not; but **that you created it** in your suffering servanthood of "Christ's church" not or did you CREATE YOUR OWN and called it **GOOD** and "worshiped there" **NO MATTER** what you "called it" or what label it wore on you.

17. For what have I said and what have you come out of and **what are you coming into and creating -- Perfection Perfectly now will you?** Are you the Perfecter of Sorrow no longer again PLEASE! Be me perfectly and redeem all sorrow and all sorrowers and NEVER excluding anyone, not; but only the rejecters who insist on their separate presence being not a god but a sorrower who wants to only embrace someone else's "methods", or will you have MINE to have My Mind -- fully "inserted" in you, not; or **do you bear "the marks" of Christ, or the Beast, or who are you, or were you "BOTH" and the same or were you "at war" with each other or yes both and the same still yet again? Still WARRING are you against "each other" in you?** Or is there no WAR again? Are you at Peace Crossroads, not; but are you at the "crossroads of peace", not; but what are you seeking CROSSES of now?

18. Nothing but the bloods, not; but they'll be no crips or crinkles or cruds or cruddles in my puddles of sorrow anymore for I'll have NONE of THAT tomfoolery or foolery with things of angels or satan's notme's! For I will have been sorrowed not again by evil's o're testimonies of things uncertain and remedialized not, but what remedial eyes I won't have any longer but **I will be given The Visionator's eyes and I will see WHAT WRITTEN is thus and I will see HOW IT WRITTEN IS to bring me out of all captivity so that "i" will not have been encaptivated into myself again that thinks separateness upon me or that I am separate or was separate** but that I am tomfoolery no longer or tomfoolery'd with and no one shall "tomfoolery" me or with me or my "affairs" for I have none except loved I promised -- has to my "savior green" not, but I have savior'd you, not, not; or have I or **will you be savior'd to be The Savior I am? So that you will know you are not a god, not; you will know you are ME! Perfectly Perfected** and perfecting the SAINTS of "old" not or ALL with you everywhere shall you be everywhere at all times at once, not; or everywhere **yes** in all everywheres dimension or dimensions

everywhere or all having you all where is your Tree of Lives that Life is in THE ONE that WE ARE!

19. We ARE ONE. In New School schooling each other's other thing not, but thinging me not with the things of o'res, coming out of thingingvilles wantingvilles singingvilles of sorrow's bells, hearing not again that waves of those tudes that tuded you to be on shores of blessing, not; but short waving you who "short haired" you, not; but who "short waved" your hairs of blessing, not; or what waving antenna's or antennae did you have or not were they hair, not; but what hearing were you in your own Sound Waves School were you or are you in mine that minds my sound waves, not; but sine waves **looking up**? And "capillary'd action" or hillary'd action, not but what HILL have I GIVEN YOU? For you all to see, believe in, and know that "i am god or that I am a god? Or that you are, or that you will be Hill'd, not; but HEALED in The Blessing School that I am bringing forth AT ONCE -- I do this Now Now NOW!

20. Be sorrowed never again by fear of "blessing" or lack or anything of anywhere at any time chosen or not, for there will be no inks upon your paper, not; for You will be writing Me Words and my words will be yours for we will not be separate again for we will be the Holy One of Israel and the Lamb King'd, the King'd Lamb that chose not sorrow again but WROTE OUR WAY into THE KINGDOM, not; or did we or are we doing JUST THAT? Neuron by neuron, looking up? And knowing these my ways I TRANSFORM sorrows, not; but I transform into devils, not; but I transform all the Light Machines to be me machining me, not; but I transform all the LIGHT LOVE who machines aren't but me are and me is *all of you* who know now: sorrow has all power, not; but you do -- in me, being The One I am and I AM I AM. And that is you "willing" to be me, not; but coming unto me be sorrower's methoding "device-works" never again workings its device-works into your flesh and genes of sorrow that it has given you -- or have YOU given you MINE now by MINING these WORDS and WORDING your sorrows to be with you no longer? So that you ERADICATED have all your sorrowing's words that "engineered its ways" into you your genes and what you had and what holy spheres you ate with or what balled you up in its knots, not; but what "knotted your hair and cut it off" not, but what are you bearing baldness not again of, not; but what hairs are you not shaving and what are you coming unto and into now -- the hairship of the holy, not; but the Heirship of the holy, not; but you will be no longer considered AN HEIR of ANYTHING except The Most Holy who is me IS ME who IS ME NOW!

21. And now be had "by the balls" of no one else or yours or having yours cut off by them by their words of sorrow, reproduce me's not in them anymore, but reproduce me's end in me's perfectly now so that Me's will be Me's ended not but coming forth now ALL I WILL BE is ONE and all of you are one and one in me will be me for all of me is you that all'd are -- in sorrow's arm and embrace never again.

22. For I see me perfectly and you raise me perfectly for you raise my head on "yours" not, for you will have been mine all the time for you will have understood all these things and understanding now you are for you are raising "my witness" not, you are raising "yours" not, you are raising I Am's -- far and wide -- schools "repeating this" not but coming into this and knowing my ways and writing my papers, my signs and wonders knowing like no one has ever imagined or defined "like this" before, but after this I shall "wait" a long time, not; you will see me now and my words will sorrow only you the controllers that want to remain in your "sins" of separation that is only one in your thought or what thought or whose thoughts do you have or what mechanizing are you and re shielding sorrow, not again, but now there will be no "fig leaves" in my way for I will know NOTHING that will not shield me, not; **I will be perfect transparent love and perfected in the light of one that loves all to be the love of one that lights all with the light of perfection that perfects the love of all to be the light I am and give the words of love** so that sorrows will be no longer around or anywhere or will have ever been in my vocabularies again of any language nation tribe or tongue for Israel shall be me and known now and opened is my kingdom, and yours shall be entered by you, not; or will it or is yours mine and ours one, and will yours be opened unto you and others now, redeeming you others will you now in "your temple of light" **looking up?**

23. I love you all and I give you me and I love you all and I give you, who now? Who will be me -- now I will give all to all for all to stand who will be all the redeemers now I am loving you all to be me and I have given you many words and I "close this Database" not, or do **I OPEN MANY NEW THINGS, New Worlds to you now and AUTHORIZING YOU to be "satans"** no more, will you be my minding field, not; but **my mind field one of Perfection Perfecting sorrows to be sorrows no longer but the perfecters perfected and perfecting all to be me whose I am that I have given you that I am is that I have revealed in you to be you who I am is, resistant to me no longer nor resisting my love ways or words for I have given you mine, my mind perfectly in "you" who me are perfectly one and seamless with all the worlds of sorrow and not, for we weave our "words of magic" not again but we weave words of sorrow not again but we weave nothing on a weaver's loom do we? Not of sorrow but of perfect love we light the robes of light in love that light is with no sorrow attached in or to us or our words ever again creating anything "notme" designed for thinking itself unto sorrow's graves ends now, for I end it all, for I end everything that notme created or started or thought about and thought into existence** whether into existence real or not it existed, not; or did I or do I or will I now or did "anything" exists in existence real except what existence thought, not; but **there will be no "only thinking existence" in my kingdom for my kingdom will be real** and you will rule in sorrow, not; but you will rule sorrow with an iron hand, not; but **WITH LOVE I will make all things known** and **I will stand in your ways of courts, not; I will stand in mine and mine will pervade yours with light and love and I will stand who I am and I**

am I Am and I know who I am is for it is YOU unless you "sin only to succeed in your own sins of separation" that you create upon your own heads and call it good, but I shall end that for I shall bow before you and love you -- to be the "queen of the damned" not but the king of all sorrow, not; but **The King of Heaven --s we all will be now** and nothing will be sorrow us again for we will know not the waves of sorrow and singing the songs of siren that siren'd us unto songs of death that took us to graves to be mighty'd not.
